

SULLIVAN-STRICKLER DESIGN

We cannot speak highly enough of Gator Solutions and the exceptional work they did on our recent waterfront renovation. From start to finish, Chip, Fred and the entire Gator crew demonstrated a level of expertise and attention to detail that exceeded our expectations. Their passion for excellence was evident in every aspect of the project, from the complex pecky cypress coffered ceilings to the furniture-grade custom cabinets and river-recovered baled cypress wood flooring.

What truly set Gator Solutions apart was their collaborative spirit and dedication to our project's success. They were always available to answer questions, address concerns and work seamlessly with our interior design team to bring our vision to life. Their enthusiasm for their work was contagious, and their commitment to meeting deadlines and staying within budget was truly impressive.

I would recommend Gator Solutions without hesitation for any construction project, whether residential or commercial. Their expertise in construction and craftsmanship, coupled with their passion for excellence, make them an exceptional choice for any project. Thank you, Chip, Fred and the entire Gator crew for your outstanding work on our waterfront residence renovation!

Sincerely,

Theresa Sullivan and Victoria Strickler
